Ground Duels

Physical Duel (Ground Duel) is registered when the physical contact occurs at which the pass is finally received.

Interceptions

When the opposing team tries to play the ball between their team but is intervened by one of your players and your team regains possession.

Recoveries

A player wins back the ball possession when it has gone to a neutral area or the ball has been moved directly to him/her. This event excludes the active attempts to get the ball possession, which is regarded as an interception.

Set Pieces

When the ball re-enters play from a dead ball situation or after a stoppage. This can come in the form of free-kicks, corners, goal kicks, and throw-ins.
